

Become a member of our Trust – it's free to join

At Guy's and St Thomas' we are accountable to our patients, local people and staff who can all become members of the Trust.

We really want all staff to become members so they can tell us how we can make things better for our staff and patients.

You can become a staff member if you are on a permanent contract, or have a fixed-term contract of at least 12 months by Guy's and St Thomas'. You can also become a member if you are employed by King's College London or London South Bank University and have been continuously based at our Trust for at least 12 months; or you are working on behalf of a voluntary organisation or are a registered volunteer at the Trust with at least 12 months service.

If you are already a public or patient member you will need to cancel this. You can only belong to one member constituency and the Trust constitution gives your staff membership precedence. If you are already a public or patient member of the Trust, please tick here:

As a staff member you can receive regular communications and updates from us or play a more active role by attending member events and meetings, voting to elect the staff governors, standing for election yourself, or participating in surveys and questionnaires.

If you would like to become a staff member please tick the 'yes' box below.

I apply to be a member of Guy's and St Thomas' NHS Foundation Trust: **Yes** **No**

***Please fill in your details below and return the form**

Name		Date of birth:	
Job title/dept:			
Signature:		Date:	

Use of your personal data: if you apply to become a member of the Trust, your email address will be used to communicate with you about matters relating to membership and Council of Governors elections.

The Membership Office will collect your name, job title, email address or postal address (if you do not have an email address) from the Workforce, Charity or Voluntary Services teams and will only share your details with the third-party election services provider managing the Council of Governors elections on behalf of the Trust. The election services provider will only store your information for 3 months following the close of elections and your personal details will not be disclosed to any other organisation.

If at any point you would like to cancel your membership, you can do so by contacting the Membership Office via email members@gstt.nhs.uk or telephone **020 7188 7346**.
